

## How to get to Arrowvale

Follow Highway 4 west, through Port Alberni, toward Tofino, Ucluelet, and Pacific Rim National Park.

After about 3 minutes, you will cross the Somass River on the Big Bridge. The next road to the right — just at the corner — will be Hector Road. You can take Hector Road for about 3 minutes to Arrowvale.

If you prefer, you can continue on Highway 4 westbound for a couple more kilometres. When you pass the Tempo gas station and the fire hall, look for signs indicating Arrowvale Campground to the right. Take the turn-off onto Stuart Avenue, then right on Bell Road, and this will bring you directly to Arrowvale.
